I hereby request Aurora National Life Assurance Company to remit payment from this annuity as indicated below:

1.  **Penalty-free Withdrawal:**  
Withdraw the full amount available without penalty as defined in the contract.
2.  **Partial Surrender:**  
Specify withdrawal amount: \$ \_\_\_\_\_
3.  **Full Surrender:**  
Withdraw the full value of the Contract less any applicable surrender charge. If you elect a full surrender, you must submit the Contract along with this form. If you do not have the Contract, you must check off the box immediately below, indicating non-possession of the Contract.  
  
 The Owner declares that this Contract has been lost, stolen, misplaced or otherwise destroyed and that it has not been given as collateral to another party. The Owner agrees to return the Contract without claim if it is found.
4.  **Minimum Distribution (for Contract Holders who are age 70 1/2 or older in the current year):** Withdraw the required minimum distribution based on the life expectancy factor indicated below (refer to IRS Publication 571 for more information). I understand that all life expectancies eligible to be recalculated will be recalculated annually unless I inform Aurora otherwise and that once I choose a method of computing life expectancy, my choice is irrevocable and shall apply to all subsequent years (choose only 1 option).  
  
 The life of the Annuitant only.  
 The lives of the Annuitant and the following Beneficiary (**Note:** If you name a Beneficiary other than the Beneficiary of record under your contract, we will not be able to process your request without first receiving an Annuity Service Request form number 1207A, requesting a change of beneficiary).

BENEFICIARY NAME	SOCIAL SECURITY NUMBER	DATE OF BIRTH
------------------	------------------------	---------------

**IMPORTANT:** Any non-periodic distribution under your Contract, other than a Minimum Distribution (Item number 4, above) or a return of amounts that were previously taxed to the annuitant, is eligible for rollover to another "eligible retirement plan" (generally, an IRA or another employer plan). If the eligible rollover distribution is rolled directly into an eligible retirement plan, withholding is not required. Otherwise, Federal income tax withholding at a rate of 20% is required on the taxable portion and the distribution may be subject to IRS penalty taxes. To do a direct rollover, please read the **Special Tax Notice** and then complete Section C. **Mandatory Withholding Election (for Rollover Distributions)** instead of Section D of this form.

### B. FOR TAX-SHELTERED [403(b)] ANNUITIES ONLY

**IMPORTANT:** The Internal Revenue Code prohibits distributions from your contract unless you meet one of the exceptions below. Any distribution may be subject to mandatory 20% federal tax withholding and applicable state withholding.

1.  My contract is governed by a written plan. I have attached a written certification from the plan administrator approving this distribution.
2.  My contract is not governed by a written plan and one or more of the following apply:
  - I have attained age 59 1/2.
  - I have terminated my employment or am retired.
  - I am disabled within the meaning of IRC Section 72(m)(7).
  - My contract is not covered by a salary reduction agreement.
  - The amount of the distribution requested, together with other amounts distributed since 1988, do not exceed the Account Value of my contract as of December 31, 1988.
  - The distribution will be paid to an alternate payee under a qualified domestic relations order.
  - The distribution will be on account of hardship and will not include any interest after December 31, 1988, on contributions made as a result of a salary reduction agreement.
  - The entire distribution will be deposited into another TSA as part of a direct transfer of assets.

CONTINUED ON REVERSE SIDE

**C. MANDATORY 20% FEDERAL TAX WITHHOLDING (Must be completed)**

Please read the **Special Tax Notice** carefully before completing this section.

The taxable portion of your distribution may be subject to mandatory 20% Federal income tax withholding (plus additional state income tax withholding, where applicable) unless you meet one of the following exceptions in subsection (1). If none of the exception in subsection (1) apply to you, you must mark the box in subsection (2)

1.  I am directing that these funds be paid as a direct rollover to another qualified plan, qualified annuity or IRA (please indicate the name of the financial institution and the policy or account number in Section E).
  - The distribution consists of non-taxable amounts (amounts that were taxed to me prior to contributing them to the contract) and/or is less than \$200 (do not complete Section D).
  - I am (or will be) age 70 1/2 in the year of the distribution (complete Section D).
2.  I am checking this box because, to the best of my knowledge, none of the preceding exceptions apply, and therefore I understand that my distribution may be subject to mandatory 20% Federal income tax withholding and, where applicable, State income tax withholding (do not complete Section D).

**D. WITHHOLDING ELECTION - PLEASE READ CAREFULLY**

**Federal (and some State\*) tax laws require that income tax be withheld on the taxable portion of any distribution unless otherwise specified by you. If you DO NOT want tax withheld from your distribution, or you are a resident of Montana and wish to have a specified amount withheld for State taxes, complete the Withholding Election below. Different withholding rules may apply to payments mailed to a foreign address.**

**Even if you elect not to have income tax withheld, you are liable for the payment of income tax on the taxable portion of your distribution. You may also be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate.**

**If you do not elect a valid withholding election below prior to the distribution of your withdrawal/surrender proceeds, or if you do not provide us with your Social Security or Tax Identification Number, we must withhold Federal and, if applicable, State income tax from your proceeds. Once this distribution has been processed, no refunds of withheld amounts can be made.**

\* For residents of California, Iowa, Massachusetts, Oklahoma, Oregon, Vermont and Virginia

1.  **Do Not Withhold** Federal or, if applicable, State Income Tax from my loan proceeds
2.  **Withhold** Federal and, if applicable, State Income Tax from my loan proceeds
3.  As a resident of Montana I elect to withhold \$ \_\_\_\_\_ from my loan proceeds for State taxes (You may enter an amount even if you checked the "Do Not Withhold" box).

**E. PAYEE (Note: If you reside in a community property state, and the payee is someone other than yourself, your spouse or an account for your benefit, please have your spouse sign below, where indicated.)**

Note: The check will be mailed to the Owner at the Address of Record unless you have completed this section. Please check the appropriate box(es):

1.  The following financial institution has agreed to accept this direct rollover to a(n) (check one):  IRA  Qualified Annuity
2.  This payment is not a direct rollover, but please deposit it to the account listed below.

**F. SPOUSAL CONSENT TO DISTRIBUTION**

The Internal Revenue Code requires a signed Spousal Consent unless the Annuitant qualifies for one of the exceptions in subsection (1) below.

1.  **Check this box if one of the following apply:**
  - No contributions to the contract have been made from employer funds.
  - The cash value of your contract is less than \$3,500.
  - The distribution will be paid to an alternate payee under a qualified domestic relations order as defined in IRC Section 414(p).
  - The assets are being transferred to another TSA as part of a direct transfer.
2.  I am checking this box because none of the above exceptions apply. **If this box is checked, a notarized Spousal Consent form must be attached (form 1011A).**
