BINDING CORPORATE RULES (UK):

APPENDIX 10

IN SCOPE DATA TRANSFERS (UK) (PROCESSOR)

In scope data transfers:

This table identifies the personal data obtained from UK Third Party Controllers that is transferred out of the UK under this Processor Policy. It lists the categories of data subjects and the types of data transferred to non-UK RGA entities and for what purpose.

Note: Some recipient RGA entities listed here may be established in jurisdictions currently deemed Adequate by the UK. Where this is the case then personal data will flow using 'Adequacy' as the transfer mechanism. (This list is a comprehensive list of transfers. All transfers are included here as UK Adequacy status *could* change for some entities in which case these Binding Corporate Rules will become the transfer mechanism).
