Note 1

Deferred tax represents the effect of timing differences between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent periods is recognised considering the tax effect of timing difference.

RGA Life Reinsurance Company of Canada is engaged in the business of reinsurance. The tax liability/ taxable income is determined on the basis of Form I i.e. actuarial valuation report for the reporting period whereas the books of account are prepared as per IRDAI Regulations. For the financial year 2020-21, deferred tax asset was not recognised in consideration of prudence, on timing difference being the difference taxable income and accounting income that originate in one period and capable of reversal in one or more subsequent periods.
