

### Why E-Learning?

- ◆ Access learning when it suits you, 24/7, on a computer or mobile device
- ◆ Learn content at your pace, choose the order, repeat or skip
- ◆ Comprehensive and consistent learning experience
- ◆ Realistic examples that reflect the workplace
- ◆ Game-like interactions increase engagement and make learning fun
- ◆ Activities allow risk-free practice to build skills and confidence

### A Growing Range of Products to Meet Learning Needs, available free of charge to selected RGA clients!

**GULF Online** – Comprehensive learning modules on foundational risk management and underwriting topics. Each module contains multiple opportunities to explore, try and practice with realistic activities and examples.

**GULF Stream** – Short (10- to 15-minute) videos on a variety of contemporary risk topics presented by RGA experts from around the globe. Each video is accompanied by a quiz to check learning, and a downloadable fact sheet.

**GULF Bites** – Highly visual and interactive anatomy and physiology lessons accompanied by a knowledge test.

**GULF Practice Park** – Case studies with a variety of risk factors and complexity levels. The learner reviews the information in a lifelike setting, and is led through a logical series of steps to reach a sound underwriting assessment.

**Hank George Continuing Education** – Highly researched papers on a variety of underwriting topics produced by Hank George Inc.

To access modules log on to RGA Central and choose the Global Learning tab. If you have any trouble accessing the site, contact your local RGA Representative for more information.
